Dear Sir:

In accordance with 37 C.F.R. § 1.825, applicants hereby submit a Substitute Sequence Listing via EFS-Web as an ASCII text file. Because the Substitute Sequence Listing is being submitted via EFS-Web, it is applicants' understanding that *additional* "paper" or "compact disc" or "computer readable form" (e.g., a 3.5" diskette) copies of the Substitute Sequence Listing are not required. The reasons for the Substitute Sequence Listing and the changes contained therein are set forth in the accompanying Second Supplemental Preliminary Amendment (submitted herewith via EFS-Web). Applicants assert that the Substitute Sequence Listing contains no new matter.

Respectfully submitted,

/Andrew K. Gonsalves/
